**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not want the big communications companies to have a monopoly on the telephone lines. Please preserve competitive pricing for telephone and DSL internet service by continuing to allow local competitive carriers to offer services on those lines so that prices are kept down. Without the competition, prices will go up and small businesses will suffer.
